## ABOUT US

---

Established a decade ago, Proguard had started in Dubai, UAE, as a security service & facility management solution. The company is wholly owned by a UAE National, Mr. Abdulla AlArif, and it has diversified significantly over the years. At Proguard, quality is the focus of all the services. We deliver high-quality security services & facility management solutions to our clients in both the private and government sectors. We work closely with you and your team to evaluate and understand your security requirements & facility management needs, threats, and challenges. We customize our service solutions to fit your organization's requirements and achieve your satisfaction. The Proguard team has specialized advisors who provide professional security services & facility management advice based on the client's most appropriate and cost-effective solutions. We take pride in the fact that Proguard is run by an expert team of professional and disciplined individuals.

# MISSION

---

To provide our clients with superior security services & facility management solutions with operational excellence.

# VISION

---

Our vision is to be recognized as the leading accredited security services & facility management company focusing on quality services in the UAE.

SECURITY

# VALUES

---

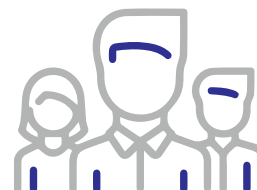

## SAFETY FIRST

Create a safe environment for everyone's well being

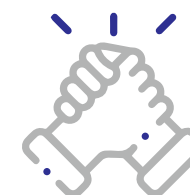

## GROW TALENT

Believe in empowering others to grow together and celebrate success.

## TEAM SPIRIT

Together, we consistently achieve more, always work in unity.

## FAIR RELATIONSHIPS

Be open and honest in relationships with colleagues or clients.

## WHAT WE DO

---

Proguard offers licensed security services & facility management solutions that are vetted and thoroughly trained. Our risk assessment team performs thorough checks before assigning security service & facility management personnel to the client's premises. Our processes and systems focus on capturing the client's current and future needs. Prior to the commencement of any service, Proguard team draws up an exclusive set of instructions for the client's site. With the clients consent, these instructions cover all the relevant duties and procedures and assign the responsibilities as required. Assignment instructions are updated regularly to ensure that any changes of the client's requirements are detailed at the earliest. We constantly seek feedback from our clients about our team performance to focus on continuous improvement.
